

Ride On

Therapeutic Horsemanship

Serving the San Fernando and Conejo Valleys

Annual Report 2014 – 20 Years of Service

About Us: Ride On specializes in therapeutic horseback riding. We teach riding skills to children and adults with mental and physical disabilities and we provide physical and occupational therapy using the movement of the horse to improve specific medical conditions. Our staff includes 9 certified instructors, 9 therapists and over 30 horses. Two hundred and twenty volunteers donated over 14,100 hours of work. Ride On has now given over 83,500 lessons in our 20-year history - improving the quality of life in our community one ride at a time.

Record Service: In 2014, Ride On gave 7,000 lessons and treatments to an average of 200 clients on a weekly basis. 75% of our riders were children under age 18; 50% are physically and 50% are mentally disabled. We serve many types of disabilities with autism being the most frequent. Many riders have multiple disabilities requiring extensive staff and volunteer support.

Unique Capacity: Ride On remains the only national accredited provider of Hippotherapy in all of Los Angeles or Ventura County. Ride On provided over 1,500 physical, occupational and speech therapy treatments. Ride On completed its portion of a national research study with Central Michigan University. Ride On's staff also served as faculty for the American Hippotherapy Association and PATH Int., Instructor Certification.

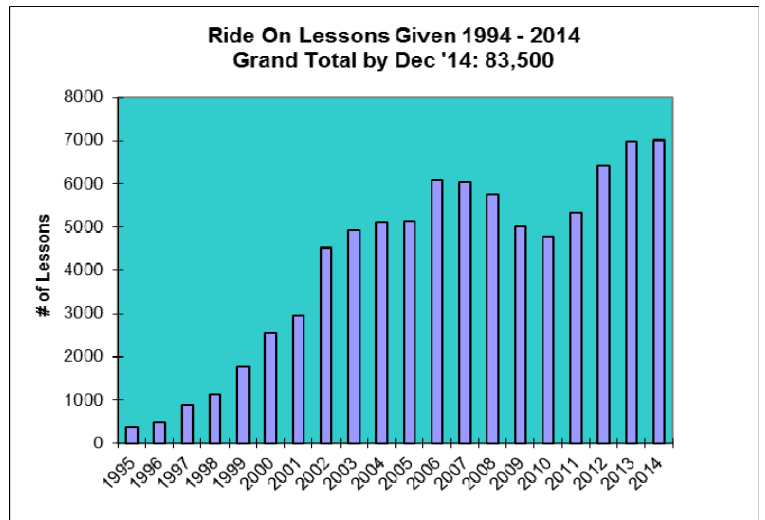

Scholarships: Ride On subsidizes the cost of riding lessons for all participants. Beyond that, we gave scholarships ranging from free lessons to ½ price for over 1,700 lessons or treatments, about 25% of all lessons.

Preparing for Generations of Service. Ride On celebrated its 20th anniversary with record service to the community and record financial support.

- The Weingart Foundation invested in our Comprehensive Sustainability Initiative to ensure our ability to serve the next generation. The Guenther Family Foundation supported our Capital Campaign in support of our soon-to-be constructed Education and Therapy Building. Ride On has now raised \$2.5 million towards its \$5 million goal.
- David H. Murdock hosted an amazing fundraising spectacular at his estate in Hidden Valley.
- The Organizing Committee of the Special Olympics World Games selected Ride On to manage the equestrian portion of what will be the largest humanitarian event in the World in 2015.

Partnerships: Ride On completed fifteen years partnering with the Conejo Recreation and Park District which donates the lease of a 13-acre park site for our home in Newbury Park.

Accountable: Ride On sees itself as a public trust and we have always been a leader in transparency to the public. For years we have posted our audited financial statements and IRS tax forms on our website at www.RideOn.org for your easy review.
